

# Recognizing Our Mission & Core Values In Action

*Paul Pogrebneak*

## “Exceptional Partnership”

**Growing Ideas  
Producing Excellence**

“What fantastic guy we have in Paul Pogrebneak. Paul has been taking care of Dean's Natural Foods for some time now... I have never heard someone speak so highly of anybody like Dean Nelson does of Paul. Dean says that his employees love Paul and the knowledge of produce he brings with him, every time Paul goes to the stores. Paul is an example of how people should treat people everyday... I have only known Paul for a short bit of time, but it's clear that he knows how to treat our customers. Dean is a very hard man to please - however, when you gain his trust, you get the best of what Dean has to offer: HIS BUSINESS. I hope that you recognize Paul for the fantastic job he does for Dean Natural Foods.”
