

Recognizing Our Mission & Core Values In Action

Roger Zerbe

“Producing Excellence”

The 2009/2010 onion-packing program for Bland Farms was very successful in large part due to the leadership and work from Roger Zerbe. 22 import containers of Peruvian onions were unloaded, stored, rotated, dried, and packed during this season. The results of this program were very successful yielding a **near perfect record** of 61 successful outbound orders out of 62 total orders packed. There were many associates involved in the success of this program, however, Sunrise Logistics wanted to specifically recognize and thank Roger for his work. Thank you Roger for your leadership, attention detail and your commitment to excellence with this program.
