

Regenerative & Organic Plant-Based Milks

- ★ Made with **regenerative & organic** ingredients
- ★ **Regenerative Organic Certified®** almonds are grown using water-saving and soil-enriching farming methods in the Central Valley of California
- ★ Coconuts are sourced from a co-op of small family farms using regenerative farming practices that **improve soil health and biodiversity**
- ★ Unsweetened SKUs are all Whole30 approved
- ★ Packaged in the **curbside recyclable** PlantCarton™ by Evergreen, which is made using plant fiber from FSC-certified renewable & sustainable forests
- ★ Every product in the line is certified organic!
