Dear La Mexicana Customer,

I'm writing to let you know that we are voluntarily undertaking a product recall of unexpired La Mexicana and Gourmet Style salsa containers with a "sell by" date between Sept. 28, 2018, and Nov. 19, 2018, due to concerns of potential contamination at the manufacturing facility.

We are not aware of any cases of illness reported to us and are not being asked by any agency to undertake this recall. We are doing so out of an abundance of caution because doing right by the consumer is always the right thing to do. We are committed to a seamless recall process and can assure you that there will be no expense to your company as a result of this recall.

Our team will be in touch with you to further discuss the logistics of this limited recall. **We have established a toll-free phone line for both customer and consumer concerns: 888-667-1507.**
