

# BRIGHT FARM'S

## NEW AT FOUR SEASONS PRODUCE!

At 280,000 square-feet, BrightFarm's new greenhouse in Selinsgrove, PA it will be the **Largest Sustainable Greenhouse Farm in PA**, producing more than 2 million pounds of leafy salad greens per year! The farm will employ over 50 green-collar workers from Snyder County that will be trained to operate cutting-edge greenhouse technology. These workers will receive competitive pay and will have access to generous and affordable healthcare coverage.

**SELINGROVE,  
PA.**

BrightFarms will be shipping the freshest and most responsibly grown leafy greens to supermarkets across the state. Pennsylvanians will find their produce in supermarkets proudly marked with the state map and "Grown in Selinsgrove" on the package.
