BENEFITS

- Driscoll's Limited Edition Rosé Berries™ are a small-scale specialty segment focusing on extra sweet flavor!
- Rosé Berries™ contain sweet, peachy notes capped off with a soft, floral finish that's as delicate as a rose. Plus, their smooth, silky and creamy texture perfectly complements a hot, summer afternoon.
- Only Driscoll's grows Limited Edition berries from one proprietary berry variety selected for its sweet flavor profile.
- Available in limited quantities.

GROWING REGION & AVAILABILITY

- Oxnard, CA – May - July
- Watsonville, CA – June - October
