

ORGANIC MARKET NEWS

MAY 23 - MAY 30, 2025

ORGANIC STONE FRUIT OUTLOOK

California **Organic Stone Fruit** is ramping up and we should be in good steady supply by June with new crop **Organic Apricots**, **White & Yellow Peaches** and **Nectarines**, as well as **Red and Black Plums**, and **Pluots**.

High graphic 12/2 lb pouch bags and 15-16 lb single layer tray cases for bulk will be offered on most items.

Get ready for the huge Four Seasons-Homegrown Display Contest beginning in mid June!

GOOD NEWS! Eastern **Organic Peaches** are in season from South Carolina. These **Organic Yellow Peaches** have high color skin and sweet-juicy flesh. South Carolina **Organic Plumcots** are in season in 8/1lb clamshells too.

Starting the week of 5/26 California **Organic Apricots** will be in excellent supply through the month of June in bulk and clamshells.

ALERT! California **Organic Cherries** are almost non-existent, as cool weather hindered yields but an excellent crop of Washington fruit is on the horizon, due around mid-June!

OG MELONS

Organic Seedless Watermelons will be available out of Mexico and California. California crop is showing high sugar content and rich color. Pricing is high to start but should improve as the domestic season continues.

Organic Mini Seedless Watermelons continues out of Mexico with steady pricing and availability. Domestic crop will begin in the second week of June.

Organic Cantaloupes and **Honeydews** are finished from Mexico and CA/AZ are just starting with modest volume in late May. Expect a full availability of **Organic Cantaloupes** (which will be very limited to start) and **Honeydews** starting early June.

Also arriving around 5/28 are California grown **Organic Gaya Melons**. This variety has a cream-colored rind with green streaks with flavorful white flesh.

OG LETTUCE & GREENS

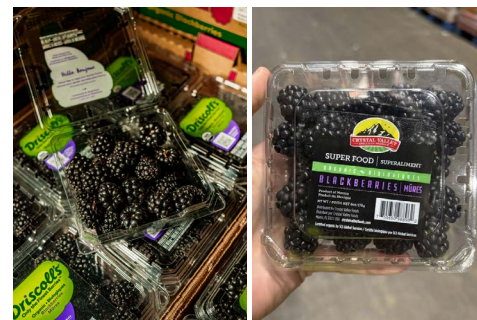

GOOD NEWS! LOCAL Organic Lettuce from Pennsylvania (Lady Moon Farms) is in peak season through late May and early June.

GOOD NEWS! LOCAL Organic Green Kale from Lady Moon Farms in Chambersburg, PA is already seeing strong volume and should be promoted to start the month.

LOCAL Organic Greens, including **Organic Kale**, **Collards**, and **Dandelion**, are entering peak season in early June from Lady Moon Farms in PA.

Organic Iceberg Lettuce from the West Coast remains promotable with consistent quality. New Jersey's **LOCAL** production is expected to begin in late May.

Organic Romaine Hearts in California have seen a decline in volume due to quality issues, but a rebound is expected in early June.

OG BERRIES

GOOD NEWS! Organic Blackberries are promotable out of Mexico. Quality remains excellent and volume is steady. Shipper brands are priced to sell, while Driscoll's and Sweet Caroline are commanding a premium.

GOOD NEWS! Organic Raspberries are promotable out of Mexico. Harvests are flushing from Mexico/Baja as the Mexico season begins to finish. Expect a transition in early-mid June.

GOOD NEWS! Organic Strawberries are very promotable out of Northern CA. Quality has been excellent and supplies are strong.

Organic Blueberries remain steady out of the Southeast. Quality has been very nice with good size and flavorful fruit.

OUTLOOK: LOCAL New Jersey **Organic Blueberry** harvests are expected Mid-June depending on weather conditions.

OG BROCCOLI & CAULIFLOWER

GOOD NEWS! **Organic Broccoli** from California and North Carolina remains abundant in late May. Promotional efforts should continue into early June while favorable conditions persist.

California **Organic Cauliflower** pricing has increased in late May. Conditions are expected to hold steady into early June with continued strong quality.

OG PEPPERS

Organic Green Pepper volume from California is ramped up with great quality, and Georgia's volume is starting, so expect prices to stair step down.

NOTE: Mexico is under-supplied on **Organic Mini Sweet Peppers**, and prices are very elevated but are expected to ease in early June.

11lb **Hothouse Organic Color Bell Pepper** supplies are improving out of Canada. Quality has been excellent on new crop fruit.

OG WARM VEG

Organic Zucchini and **Yellow Squash** from Mexico and Georgia have steady pricing with firm supply leading up to Memorial Day but should get better as North Carolina and **LOCAL** New Jersey start in late May. Florida is wrapped up for the season.

Florida is winding down on **Organic Eggplant**. Georgia is delayed and not expected to start until early June.

Supply of **Organic Cucumbers** from Mexico is tight, but Georgia has started and pricing remains promotable.

OG ASPARAGUS

Organic Asparagus remains available out of Michigan. Volume has been steady but expect supplies to begin tightening after recent cold fronts have halted production. Quality has been excellent. **LOCAL** New Jersey Production is in season but with light availability.

OG KIWIFRUIT

Organic SunGold Kiwifruit from Zespri remains in steady supply from New Zealand, with both 8/1 lb clamshells and volume-filled cases available.

Organic Green Kiwifruit continues to be tight. Relief is expected when the New Zealand crop starts in June.

OG SWEET POTATOES

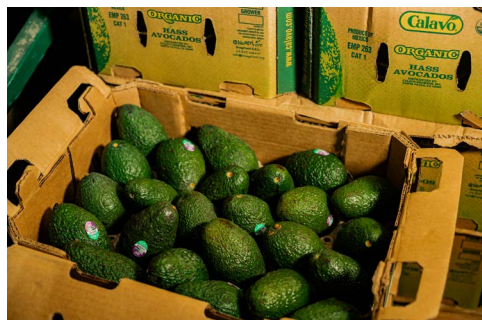

The first arrival of New 12/3lb bagged **Organic Japanese Sweet Potatoes** (code 244302) will be here 5/23.

OG GREEN BEANS

Organic Green Beans continue to show improved availability in late May, though pricing remains elevated. Slight improvements in supply and cost are expected as June begins. The **LOCAL** season will begin mid-July.

Organic Packaged Green Beans are back in steady supply with decent fill-rates.

OG AVOCADOS

Organic Hass Avocado supplies have improved, with steady availability through the end of May. California-grown fruit from Calavo and Mexican supply will become more available in early June.

Pre-conditioned **Organic Hass Avocados** are now available in both 48ct and 60ct lines.

OG BRUSSELS SPROUTS

Organic Brussels Sprouts from Mexico remain available heading into June. Prices have risen through May due to decreased volume, a trend expected to continue short-term.

OG GRAPES

New crop **Organic Grapes** from Mexico and Coachella, CA are in full swing with availability in all colors starting Memorial Day Weekend.

OG SWEET CORN

Organic Bi-Color Sweet Corn is in season from California for late-May and early June. There will also be some UPC's tray packs available from Florida.

OG PINEAPPLES

GOOD NEWS! **Organic Pineapple** supplies are finally steady, allowing for promotion without prorates.

OG TOMATOES

GOOD NEWS! **Organic Cluster Tomatoes** continue to be promotable out Canada with excellent quality and excellent supplies.

Organic Beefsteak Tomatoes are available with strong supplies out of Canada. Quality has been excellent.

High-flavor **Organic Cocktail/Cherry Tomatoes** remain available from Savoura out of Quebec and quality is excellent.

Organic Grape Tomatoes remain available out of Mexico, but Florida production is finished.

Organic Medley Tomatoes remain available with light volumes out of Mexico.

OG CITRUS

Organic Lemons out of California are in limited supplies. Some new crop **Organic Fair Trade Lemons** from Argentina are available. Expect prices to be high for the remainder of May.

Organic Mandarins have fairly good quality for all varieties. Continue to push through the remainder of May.

NOTE: **Organic Navel Oranges** are in very limited supply. We are transitioning into **Organic Valencia Oranges**.

OG MANGOS

GOOD NEWS! **Organic Red Mangos** will see another price drop by late-May. Promotional activity should ramp up ahead of Crespo Organics' "Mango Mania" program for June and July.

Organic Ataulfo Honey Mangos are trending smaller. Look to promote the 16/18ct sizes, which have seen price reductions.

Organic Dried Ataulfo and Red Mangos from Crespo Organics are now back in stock for the 2025 season. Available in 4 oz and 1 lb bags, these **Organic Dried Mangos** feature standout packaging and strong shelf appeal.

OTHER STORIES

• **NOTE:** **Organic Celery** supply remains tight due to limited volume from California and Mexico. Quality has stayed okay, and conditions are expected to improve by mid-June.

• **ALERT!** We continue to see a very tight **Organic Russet Potato** prices. Bagged product has been more plentiful, but bulk retail-sized supplies continue to be a challenge. Sizing has been mostly 90ct with some 50/60ct.

• **ALERT!** **Organic Royal Star Papayas** will be in tight supply in late-May. Expect prorates and limited availability.

• **NOTE:** Washington **Organic Cosmic Crisp Apples** are limited, with shippers skipping a week of packing to make the crop last longer.

• **NOTE:** **Organic Honeycrisp Apple** supplies are very light with high prices.

• **Organic Artichokes** from California remain available in late May at elevated pricing. Steady supply is expected into early June.

• **Organic Snow and Snap Peas** continue to be available out of California with strong production and promotable pricing.

Compostable tray packs remain an eco-friendly option to promote into early June.

• **Organic Brown Coconuts** from Mexico are now in steady supply and are available in 20ct boxes.

• **Organic Young Thai Coconuts** are in stock in limited volume for mid-May.

CONVENTIONAL MARKET NEWS

MAY 23 - MAY 30, 2025

MELON SEASON PRIMED FOR JUNE

GOOD NEWS!

Seedless Watermelons will be entering new fields in Northern Florida with great quality and improved pricing on 45 ct and 60 ct bins. Expect Georgia fruit in the second week of June.

New crop **Seeded Watermelons** in Ocala, FL will start late May/early June with consistent quality and improved pricing. 20 lb average 35 ct bins of seeded Watermelons are selling well with renewed customer interest.

Mini Seedless Watermelons remain consistent out of Mexico. Pricing and availability on 6ct sizing will be steady.

New crop **Cantaloupes** and **Honeydews** from Mexico are limited, Offshore is finished for the season. Spring crop California and Yuma, AZ **Melons** are slowly getting started. Expect higher prices until supply increases, then promotability later in June.

Tuscan-style Cantaloupes are just starting from desert growing region plantings. The first 9 ct cartons will be in stock after Memorial Day.

Gaya Melons, cream-colored skin with green-streaks and flavorful white are starting up from South Texas.

NOTE: Florida-grown **Athena-style Cantaloupes** have faced growing issues and are limited. Supplies will improve when the Georgia crop starts in June.

CV BERRIES

GOOD NEWS! **Strawberries** are promotable out of CA. All regions continue to harvest leading to promotable pricing and excellent quality fruit.

GOOD NEWS! **Raspberries** are promotable out of Mexico. Quality and volume has been very good. We will transition to CA fruit in early- Mid June.

GOOD NEWS! **Blackberries** continue to be promotable out of Mexico. Supply is good as Mexico growers prepare to finish their season. We will transition to CA in early June. Quality has been very good.

Blueberry pricing continues to ease as harvests increase out of NC and GA. Quality has been improving and has looked nice with good flavor.

Jumbo Blueberries make their return out of CA and **Sweetest Batch** from Driscoll's continue in season.

LOCAL New Jersey **Blueberries** are expected to begin Mid-June depending on weather conditions.

CV STONE FRUIT

California **Stone Fruit** season is up and running with better size and lower prices as more SKU's are appearing daily. This crop year is looking to have some great size and quality! Currently available:

- **Apricots**
- **Red Apricots**
- **Yellow & White Nectarines**
- **Yellow & White Peaches**

Heading into June, California "**Peacharines,**" **Black Plumcots, Red Plumcots, Black Plums, Red Plums,** and **Red Pluots** will be available.

ALERT! California **Cherries** continue to be very limited pre-Memorial Day, with the crop loss at about 60%.

Washington **Cherries** are looking to have a good crop with large size fruit and excellent quality starting around the second week of June. We expect more promotable pricing then.

GOOD NEWS! South Carolina **Peaches** have been beautiful, with prices easing down and fruit sizing up. Expect to see 2-3/4" fruit after Memorial Day. 12/2 lb Pouch Bags are also available.

CV TOMATOES

GOOD NEWS! **Cluster Tomatoes** continues to be promotable out of Canada. Pricing remains aggressive and harvests remain strong with very good quality.

GOOD NEWS! **Snacking Tomatoes** remain promotable from all regions. **Grape, Cherry, Medley,** and **Cocktail Tomatoes** have excellent supplies and promotable prices. Quality has been excellent.

Beefsteak Tomatoes remain available out of Canada. Supplies are abundant, and pricing remains very affordable.

NOTE: Florida **Vine-Ripened Round Tomatoes** are finished for the season. Light supplies available out of Mexico will bridge the gap until GA gets started in early June. Pricing is strong.

Roma Tomatoes remain steady in both pricing and volume out of Florida and Mexico. The quality continues to be excellent.

CV KIWIFRUIT

SunGold Kiwifruit will remain steadily available through mid-May, offered in both VF and clamshell packs from the New Zealand season.

New Zealand's Zespri **Green Kiwifruit** is expected to begin in mid-June.

NOTE: **Green Kiwifruit** remains tight with limited availability from Chile and Europe.

CV WARM VEG

GOOD NEWS! **Zucchini** and **Yellow Squash** pricing is promotable and quality has been very good out of Georgia.

Cucumber supply is tight out of Georgia but will open up post Memorial Day.

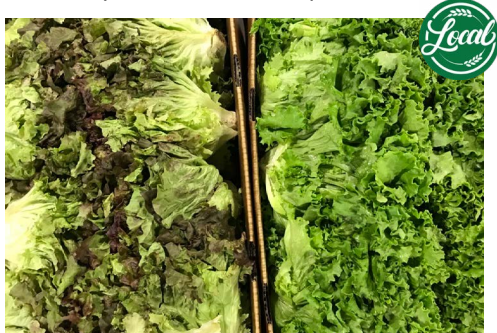

New crop **Eggplant** from Georgia have begun.

CV BROCCOLI & CAULIFLOWER

Broccoli production in Georgia is winding down in late May, while North Carolina production remains abundant and well-priced. California continues to offer an alternative, but East Coast product will remain the primary source.

California **Cauliflower** costs remain steady with strong supplies and quality as we move into June.

OG LETTUCE

GOOD NEWS! **LOCAL Leaf** and **Romaine Lettuce** from New Jersey are at peak production with strong volume and competitive pricing in late May.

GOOD NEWS! California **Iceberg Lettuce** and **Romaine Hearts** also remain abundant with excellent quality and pricing. Both regions offer strong promotional opportunities going into early June.

CV PINEAPPLES

Pineapple supplies are steady heading into the end of May. Pricing has held firm.

Both **HoneyGlow** and **PinkGlow Pineapples** from Del Monte remain available.

CV SWEET CORN

Sweet Corn will transition to GA as the Florida season finishes up. Quality is looking excellent with nice green husks and excellent quality corn. Volume will remain strong.

CV HOTHOUSE CUCUMBERS

GOOD NEWS! **Euro** and **Mini Seedless Cucumbers** are promotable out of Canada. Quality is excellent and pricing is promotable.

CV GRAPES

Grapes will start the transition into new crop Mexico and Coachella, CA after Memorial Day to ensure quality remains good.

Some California-grown **"Candy Snap" Red Grapes** (232019) in 10/1 lb clamshell, and 18lb XL **Green Seedless Grapes** (10607) are in stock with excellent quality.

GOOD NEWS! There are some spot buys on new crop Mexico 8/2 lb **Cotton Candy Grapes** (231702) arriving around Memorial Day.

CV ASPARAGUS

NOTE: **Asparagus** availability has tightened up as the **LOCAL** New Jersey and Michigan growing regions experienced back to back cold fronts slowing down production. Quality has been excellent.

CV GREEN BEANS

GOOD NEWS! Promotional opportunities for Florida **Green Beans** will extend into June due to strong production, excellent quality, and ongoing cost reductions.

CV ARTICHOKE

GOOD NEWS! California **Artichokes** are becoming promotable again as May ends. Competitive pricing and excellent quality are expected to continue into June.

CV AVOCADOS

Limited supplies of California-grown Premium **Jumbo Gem Avocados** will continue through the end of May. This large-sized fruit, resembling a Hass with a creamy, nutty flavor, is available in 24/28ct VF boxes.

Mexican-grown **Hass Avocados** remain steady across all sizes, with slight price reductions noted at the end of May.

All Sweet, No Seeds!

CV PEPPERS

GOOD NEWS! Mexico remains abundant with **Mini Sweet Peppers**, resulting in promotable pricing.

Seedless Sweet Mini Peppers (Constellation by NatureSweet code 237581) are also in stock and ready to promote!

The **Green Pepper** market remains steady, and early picks from Georgia show great quality and sizing, making them ideal for promotion.

ALERT! 11lb **Hothouse Color Bell Pepper** pricing will rise significantly as Canadian supplies go into a gap. **Red Peppers** are expected to be the shortest but expect **Yellow** and **Orange** supplies to have availability issues as well.

CV POTATOES

The **Little Potato Company** Display Contest runs now through 7/5. Microwave, Grilling, and pouch bag packs and ready for promotion!

Bulk premium 50 lb **Gold, Red, and White Potatoes** will transition to California the week of 5/26. Quality is expected to be very good with higher pricing due to freight.

NOTE: **Unclassified Potato** shippers finished up on old crop **White Potatoes** and new crop **Potatoes**. Code 4420, 100/10lb **Unclassified White Potatoes** will gap until August/September when some new crop **Unclassified Whites** begin out of New Jersey for a value-bag.

CV MANGOS

GOOD NEWS! **Mangos** from Mexico are promotable through the end of May, with promotional pricing expected to continue into early June. "Water for All" label fruit will include both **Red Mangos** and 18ct **Ataulfo Honey Mangos**.

Ataulfo Honey Mangos are recovering following short supplies during the growing region transition.

Large 14ct **Champagne Mangos** remain in good supply and show excellent quality.

OTHER STORIES

• **NOTE:** Washington **Cosmic Crisp Apples** have gotten limited as shippers pull back packing to try and extend the season.

• Eastern **Honeycrisp Apples** will finish for the season this week, we will fill in with some storage Canadian product and then into some new crop Chilean product in June.

• Eastern **Red Delicious** and **Snap Dragon Apples** are winding down for the season and expected to finish in early June and gap until new crop.

• Eastern **Ruby Frost Apples** are done for the season.

• **Celery** conditions remain stable with steady supplies and favorable pricing, a trend expected to continue.

• **NOTE:** **Limes** out of Mexico have limited supplies until the fields dry from rain. Prices could rise.

• California **Brussels Sprouts** are showing improvement in late May. As production increases, both quality and pricing are expected to improve heading into June.

THE LITTLE POTATO COMPANY SUMMER GRILLING DISPLAY CONTEST

MAY 18 - JULY 5, 2025

Fire Up the Grill with The Little Potato Company!
